TECHNICAL DATA SHEET

MULTIPURPOSE CLEAR GLAZE

PRODUCT DESCRIPTION PC: 88600 DATE OF ISSUE: 2019.09.12 VERSION 3

A single component water-based urethane clear glaze that may be used as a protective sealer for many textured coatings. This new generation product has been formulated utilising the latest ecologically friendly technology in the interest of our future generations.

FEATURES & BENEFITS

- Interior and exterior use for added durability and lower maintenance.
- Colour retaining properties.
- Water based, ready to use, very low odour
- Fast drying and over-coating properties
- Easy to apply, easy to keep clean
- Excellent penetration and adhesion properties
- Excellent alkali resistance and non-yellowing
- Water resistant but still allows the substrate to breathe
- Non-toxic and non-irritant

APPLICATION

Ensure that the surface is clean, dry and sound and free of all contaminants such as salt, dirt, dust, etc. Evenly apply and crosshatch 1 or 2 coats of PlasterTEX Multipurpose Clear Glaze, using a brush or roller. NB remove excess Multipurpose Clear glaze from the brush or roller to prevent the product causing streaks or milky patches

TECHNICAL DATA

TYPE	Urethane Acrylic
VOC	<5
Drying time	Touch Dry: 2 hour at 23º C and 50% humidity Over-coating Time: 2-4 hrs
Volume Solids	40.8% ± 3%
Sheen level	SATIN
Colour	Clear
Number of coats	1 or 2
Coverage *	6 – 10 m²/Lt Depends on the condition and porosity of the substrate and the application method being used.
Application temperature	>4º C < 40º C Avoid applying under adverse weather conditions as this could result in poor product performance.
Wash up	Water
Pack sizes	5Lt & 20 Lt
Storage	12 months unopened, store in cool dry conditions. Avoid excessive heat or cold.
Cleaning type & disposal	Remove as much product from the application equipment and wash with water directly after use. Do not allow wash water to enter sewerage drains, storm water drains or water courses. Ensure that all wash water is collected and disposed of according to your local authority's waste regulations. Please recycle the container or responsibly dispose of it.
Transport	The product is non-hazardous in accordance to Transportation and Dangerous Goods Act 1996.
